### Prime Plot - Bonanza

This is a prime plot situated in a new Golf and Events Estate - Bonanza - upmarket development East of Lusaka. The land is right next to the dam and will have no development on that side, which makes it attractive for those in love with a country style living.

Number of attractions in the neighbourhood:  
Popular school just moved in the area,  
Stylish hotel on site, with a restaurant, brewery, spa...  
New Golf course on site..

It is quite large, over 7 acres in size,  
230m of the plot is already walled by the dam side forming a part of the boundary fence for Bonanza Estate.

This is a lush, tree rich plot with a lovely breeze coming from the dam and an ideal spot for nature lovers home. Security water and electricity are all on within reach - provided by the estate. Water being on site already..
